

Christophe BINETRUY

Professor
GeM : UMR CNRS – Ecole Centrale de Nantes
1 rue de la Noe, BP 92101
44321 Nantes Cedex 3
France

Phone: +33 (0)2 40372527
Fax: +33 2 40372566
e-mail: Christophe.Binetruy@ec-nantes.fr

Current position

Professor of Mechanical Engineering
FAURECIA Chair Professor “Structural Composites for Automotive Applications”

Education

Masters of Textile Engineering, Ensait, France and Mechanical Engineering, University of Valenciennes, France (1992)
Ph.D. University of Lille (France) (1996)
Habilitation, University of Lille (2002)

Career

FAURECIA Chair Professor at Ecole Centrale de Nantes and member of the Materials, Processes and Technology of Composites group at GEM (UMR CNRS): since September 2011.
Visiting Professor at the University of Munich, Institute of Carbon Composites (LCC), Germany, 2011
Professor and Deputy Head of the Polymers and Composites and Mechanical Engineering Dept. at the Ecole des Mines, Douai, France, 2006-2011.
Deputy Head of Polymers and Composites Technology Dept. at the Ecole des Mines, Douai, 2000-2006.
Visiting Scientist, University of Delaware, USA, 2001
Assistant Professor at Ecole des Mines, Douai, France : 1996-2002.

Honors and awards

Chevalier de l'Ordre des Palmes Academiques”, 2010
Best project with Cluster of Competitiveness, University of Lille, 2010
Best scientific achievements in composite manufacturing science, International Symposium on Composites RTM and Infusion, 2009, France
JEC Awards, 2000

Professional activities

Editorial boards

Journal of sandwich structures and materials
Revue des Composites et Matériaux Avancés
Techniques de l'Ingénieur, (Handbook of Plastics and Composites)

Current President of the scientific committee of the International Conference on Textile Composites

Summary of scientific production

39 + 10 papers in peer-reviewed international journals..
3 book chapters
95 contributions to conferences proceedings.
7 keynotes or plenary lectures in national and international conferences and workshops.
2 Organization and Chair of international conference (FPCM and Texcomp)
