Current Position

Full Professor at Université du Maine Le Mans on Mechanical Engineering and Acoustics at the acoustic Lab (LAUM UMR CNRS 6613)

Career

Assistant Professor at INSA de Lyon : Oct. 90 – Sept 2004
Associate Professor at University of Bordeaux Oct. 88 – Sept 90

Education

2002 Authorization to supervise research (HDR) from INSA de Lyon and University of Lyon
1989 Ph.D. University of Bordeaux : Mechanical Engineering

Professional activities :

- Current Deputy director of the Acoustic Laboratory (LAUM UMR CNRS 6613)
- Responsible of the NDT group of the lab during the last 4 years
- Managing many research projects with EADS, CEA, Airbus, Daher, Mecachrome, EDF, ...
- Supervisor for more than 15 PhD students (INSA of Lyon, Université of Maine Le Mans, University of Casablanca)
- Participation to more than 20 PhD and HDR jury
- Member of the French Acoustical Society
- Member of the French Mechanical Society
- Member of the European Acoustics Association
- Reviewer for Ultrasonics, Europhysical letters, IEEE UFFC, Journal of sound and Vibration, J.Of Appl. Physics, JASA et for many international meetings)
- Member of the scientific comity of many national and international meetings
- Organization of many workshops and co-organization of national and international meetings

Scientific production :

- More than 80 publications and communications among them 30 articles in peer-reviewed international journals (Phys. Rev. Letters, Phys. Rev B, J. Mech. Phys. Mat, Mech. of Mat, NDT&E, Ultrasonics, J. Of. Acous. Soc. Am.,...)
- 4 chapters in national and international books with ISBN
